

HOME & SCHOOL Association

Westpark Elementary Home and School is a not-for-profit association comprised of a group of dedicated parent volunteers working in collaboration with the school's administrative body and its teachers towards one common goal:

Enhancing our children's educational experience and learning environment!

Throughout the year, we host several events & fundraising initiatives to help the school provide additional materials, extracurricular activities, and more. To be successful, we need your help! Funds raised enables Home & School to purchase and/or fund activities, events, & resources needed within the school, including, but not limited to:

- School materials (for the classes, the gym, music room, & the school in general)
 - Smart Boards for all the classes
 - iPads, iPad minis, and educational apps
 - Robotics and Technology equipment
- Theatrical & cultural performances & guest speakers
 - Carnivals for the students
