

WESTPARK ELEMENTARY SCHOOL

January 2021

Dear Westpark Families,

Welcome back and *Happy 2021*, we hope that our entire staff team and our students and their families have been able to take a break and find time to recharge this past winter holiday season. As we return from the winter break into an online learning format, we are looking towards the horizon with eager anticipation to resume our learning once again inside our school building. Our school team will continue to manage and follow all the updated guidelines and protocols set forth by the Ministry of Education and Public Health. We recognize that this school year is filled with different and difficult challenges than ever realized before – and it has evolved and changed quickly due to community needs, but our collective commitment and focus on education and the health and safety of everyone will continue to remain our top priorities.

The mission of Westpark Elementary is to provide a safe and caring community climate which facilitates the personal, academic, spiritual and physical development of the student as life-long learners. Our exceptional teachers, support staff and school professionals are once again ready and dedicated in supporting the individual growth and success of every one of our students.

Westpark Elementary has an outstanding parent body that supports a multitude of school projects, committees and school community events. Our Home & School Association is a leader in creating fundraising opportunities that work to enrich many areas of school life and allow our school to flourish. Please reach out and join one of our parent committees during the time your child is at Westpark as parental involvement promotes a healthy and positive community approach to schooling.

As we continue to face extraordinary challenges this 2020-21 school year together – it is the collaboration, care and respect between all of our community members that will help to shape a safe, successful and nurturing environment for our students, our staff and our entire Westpark community. Together we will continue to shine!

On behalf of the entire staff – most sincerely yours,

Mr. Rabinovitch

Principal

Mme Poirier

Vice Principal
